UNICORN CHEESE TOASTIE

We are head over heels for these yummy snacks.

INGREDIENTS

- ★ 8 slices of bread
- ★ 4 tbsp softened butter or margarine
- ★ 200g mozzarella cheese, shredded
- ★ 4 slices Cheddar cheese
- ★ Food colouring

INSTRUCTIONS

- 1) Butter one side of each slice of bread and pop to one side.
- 2) Divide the shredded mozzarella into four bowls. Add a couple drops of food colouring: yellow to one, red to one, blue to another, and red and blue to make purple in the fourth. Stir the dye into the cheese.
- 3) Cut the slices of Cheddar in half and place one on each slice of the bread, on the unbuttered side. Place half a tablespoon of the coloured cheese in strips on top of four of the slices, in the order of ROYGBIV (mix the red and yellow to make orange, and yellow and blue to make green).
- 4) Sandwich a slice of bread and Cheddar over the coloured cheese and place in a frying pan over a medium heat.
- 5) Cook for about two minutes until golden brown, then flip.
- 6) Transfer to a plate and serve.
- 7) Optional: top with colourful sprinkles to make unicorn grilled cheese!

Ask an adult for help, especially before using knives or touching a hot oven.

LOVE NARWHALS

No creature can compare to the mighty, magical, magnificent Narwhal!

NARWHAL PENCIL TOPPER

Cut out this narwhal. Fold it in half and glue around the edges except the bottom. Pop it on your pencil. It's whale-y, whale-y cute!

1

They look like the babies of a dolphin and a unicorn. How cute?

2

THEY HAVE SPIRAL HORNS. WE CAN'T TELL YOU HOW MUCH WE WANT ONE.

3

THEY LIVE IN THE ARCTIC OCEAN AND HAVE SERIOUS SURVIVAL SKILLS. THEY LIVE INSIDE ICE! HOW COOL!

4

They use sonar, just like bats. Or Banshee from X-Men: First Class. They're pretty much superheroes!

5

THEY CLICK. THEY SQUEAL. THEY WHISTLE. ADORBS!

6

NARWHALS CAN HOLD THEIR BREATH FOR UP TO 25 MINUTES. THEY ACTUALLY HAVE TO REMEMBER TO BREATHE.

7

They change colour the older they get. Newborns are blue-grey, juveniles are blue-black and adults are a mottled grey. Old Narwhals are nearly all white. Bless the old cottontops!

The super-stylish star is swinging into her best life ever.

I'm gonna touch the stars!

Her friendship group is solid

Zendaya may seem like the most popular girl in the world, but even she deals with BFF drama sometimes. Right now, she's focusing on her true friends and leaving problems behind.

"I'm in such a good place with my friends," Zendaya says. "I feel confident, and I'm happy there are people I can truly trust in my life." We're happy for you, Zen!

Spider-pals forever

Did you know?

Zen is laugh-out-loud funny. Zac Efron says they teased and made fun of each other all the time on *The Greatest Showman* set.

She's true to herself

We heart Zendaya for always being herself. It's one of the reasons she's got so far in her career. Zendaya isn't scared to be different and doesn't care what anyone thinks of her. That's why we love her.

She always sees the positives

No matter what's going on in Zendaya's life, she always finds a reason to smile. "If I let all the negative stuff affect me, I don't think I would be satisfied with the person I am now," Zendaya says with confidence.

Zen doesn't sweat the small stuff

She's a fashion princess

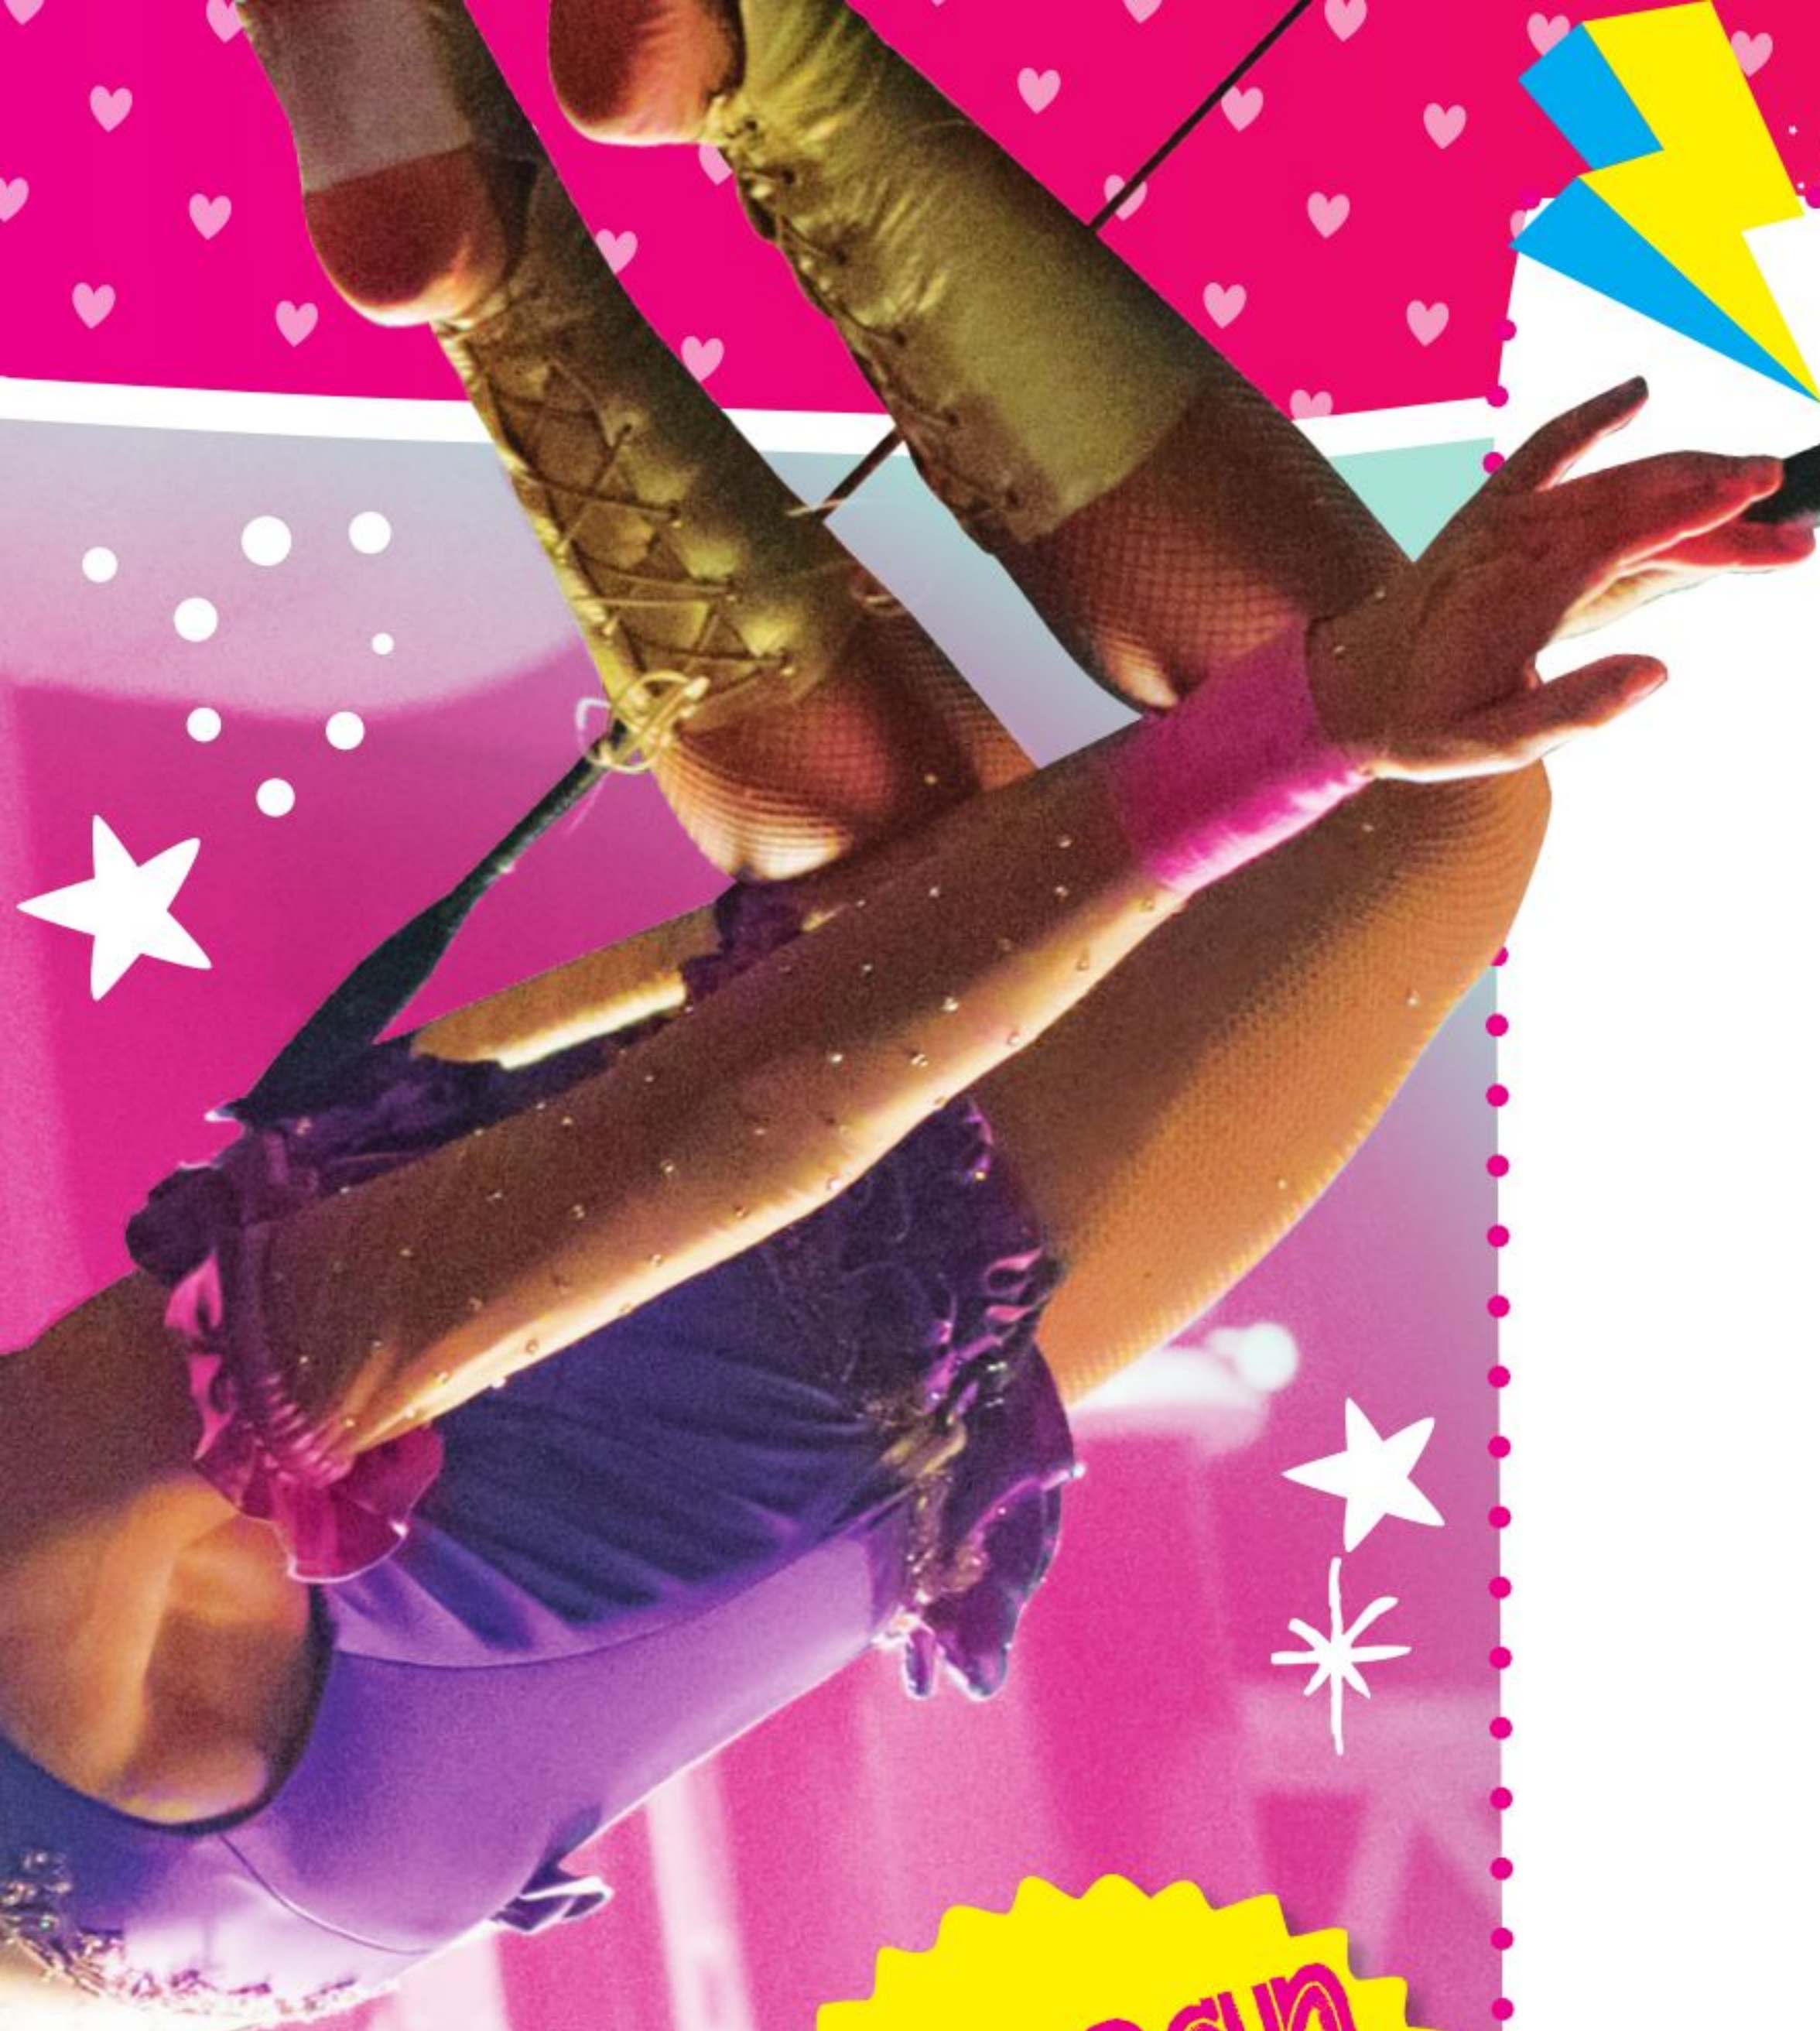

Whether she's walking the red carpet in a sparkly gown or running errands in a tank top, Zen always looks fashion forward. What's the secret to her unique style? "I don't feel the need to look good for anyone else but me," Zendaya smiles. "As long as I feel confident, that's all that matters to me."

Did you know?

Zendaya is a huge fan of Flamin' Hot Cheetos, Pringles and ice cream. Not all together, though!

MONEY MIX-UP

Me and my BFF were at the park when we spotted an ice-cream van. We dashed over and ordered one each. Yum! When the ice-cream man handed them over, we both took a huge lick. That's when he said, "Two pounds, please." We looked at each other in horror. We'd only brought one pound!

AMRISHA, 10

SHOPPING SHAME

I was in the supermarket with my mum. I started running after her while pushing the trolley. Out of nowhere, a little girl darted out in front of me. I had to swerve madly to avoid running her over! The girl was fine but in the high-speed trolley chase, I crashed into a supermarket shelf. Stuff went everywhere!

SYDNEY, 9

OUCH...

OMG

KATY PERRY

At the end of a performance, I was supposed to jump into an enormous cake. I finished the song and launched myself at it, but the cake crumbs and cream filling made the stage really slippery. When I tried to get up, all I could do was slip over, time and time again.

LOO LOL

I'm rolling with laughter!

At a friend's birthday party, I went off to the loo with my BFF. On our way back to the table, she was giggling at something by my feet. I looked down to see I had a long toilet roll train stuck to the bottom of my shoe. I had to laugh it off. Cringe!

LITTLE MIX FAN, 9

TRIP TERROR

Once, on a school trip to a farm, I was looking at some chickens. My BFF spotted some gorgeous lambs nearby. We rushed over to stroke the cuties, but I lost my footing and slipped in a big cowpat. EWWW!

ROBYN, 11

TRAY TRAUMA

It was lunchtime and I'd just loaded up my tray and was walking over to sit with my mates. Unfortunately, I tripped over a bag. My pasta went everywhere – all over me and all over the floor. The whole canteen was laughing.
